IEEE CTSoc GEM 2023
Barbados, November 19-22, 2023

Patronage Packages

Overview

You are invited to participate and become a patron of GEM 2023 hosted by IEEE and the IEEE Consumer Technology Society. The IEEE has traditionally been associated with the pinnacle of technological achievement and success. GEM 2023 is a unique interdisciplinary IEEE conference that seeks to build and expand on this tradition. GEM 2023 will allow you to enhance your brand perception among a select group of scientists, engineers, executives and creatives. Additionally, we offer Access-Plus packages that give you the opportunity to sponsor a poster session or give a keynote address to our many graduate students and early-career researchers.

If you have any questions or would like us to customize a package just for your company, please send an email to info@ieeegem.org.

GEM 2023 will be held in Bridgetown, Barbados for the second consecutive year. Once again, it will attract a global mix of digital media, industry and academic participants and is an excellent opportunity to promote your company

Why Sponsor GEM 2023?

You will be able to engage the 2023 GEM's decision-makers in discussions about their critical issues and possible solutions. You can either launch a whole new product or re-market your current offerings to previously unidentified academic, industry and creative sectors. Take the opportunity to inform the market about your company's abilities to assist them refine their current operations and business strategies. Meet at brainstorming sessions and network with active academics and professionals to learn about emerging ideas and business opportunities.
